BTS Sansiri Holding's joint venture

This joint venture's latest condominium project is the Line Sukhumvit 71, worth Bt2 billion in total with a starting price of Bt4 million per unit. The Line has a total of 291 units. They combine one bedroom and two bedrooms with using space between 29.75 and 62.75 square metres.

The project starts construction this year and aims for completion in 2018.
